**APPENDIX E**

<p><b>2004</b> Dr N. Bundoff Prof Jin Kenn Seo Prof N. Joshi Prof J. King Dr S Lucas Prof L. Schwartz Prof P. Taylor</p>	<p>Mr Kassem Mustapha (UNSW)</p>	<p>Main recreational activity on Tuesday 3 February was a visit to Tahune Airwalk near Geeveston</p>	<ul style="list-style-type: none"> <li>• Conference after-dinner speaker replaced by Jazz bank (and dancing)</li> <li>• First ANZIAM conference for which all the conference announcements and the entire registration processes were done electronically.</li> <li>• Impressive opening address by Lara Giddings the Tasmanian State Minister for Science and Technology.</li> <li>• Good coverage from ABC radio Launceston and Hobart's Southern Cross TV Station, and particularly from the local Hobart Mercury, whose reporter wrote intelligent and sympathetic stories about mathematics in application.</li> </ul>
<p><b>2005</b> Dr B. Baeumer Dr S. Howison Dr R. McLachlan Dr M. Nelson Prof E.N. Parker Prof C.E.M. Pearce Prof J.J. Tyson</p>	<p>Mr Jason R. Looker (Melbourne)  (see the <b>Gazette</b> Vol 32, No.4)</p>	<p>Excursions to gannet colony at Cape Kidnappers, and to local wineries</p>	<p>Weather throughout conference made miserable by persistent light misty rain. The excursionists to Cape Kidnappers returned wet, muddied and cold.</p>
<p><b>2006</b> Professor A. Bassom Professor J. Dennis Professor R. Grimshaw Professor J. Hearne A/Prof. K. Landman Professor P. Lotstedt Professor P. Pollett Professor J. Sneyd</p>	<p>Mr C. F. Fricke (Melbourne)  (see the <b>Gazette</b> Vol 33, No.3)</p>	<p><b>Recreation</b> Weather warm and fine over conference duration Hikes up, down and around the top of Mount Buller.  Also visit to Pizzini's winery in King Valley</p>	<p><b>Other Comments</b> Conference opened by Mayor of Mansfield, who noted the excellent medical and hospital facilities available if needed.  Conference after dinner entertainment provided by Jazz Trio.</p>
<p><b>2007</b> Prof A. Baddeley Prof N. Bean Prof P. Clarkson Prof P. Howlett Prof I. James Dr M McGuinness Dr H. Osinga Prof G. Wake</p>	<p>Ms S. Harper (Massey) (see the <b>Gazette</b> Vol 35)</p>	<p><b>Recreation</b> Many activities around Fremantle, including underground tunnel tour of Fremantle Prison</p>	<p><b>Other Comments</b> Just as he did in 1995, Graeme Hocking introduced another hopefully enduring twist into the annual conference. In 1995 Graeme introduced the "card" system still in use to control time-inept speakers. In 2007 the first day was designated to be a statistics day, to enhance collaboration and understanding of two closely related communities. The day was attended by 20 day registrants from the WA statistics community.</p>

<p><b>2008</b>  Dr S. Balasuriya  Prof M. Berry  Prof M. England  Prof B. Leimkuhler  Prof L. Petzold  Prof A. Pullan  Prof M. Roberts  Dr Y. Stokes  Prof T. Tao</p>	<p>..... (there was a shared TM Cherry prize)</p>	<p><b>Recreation</b>  Many activities around Katoomba related to Echo point, Three Sister area. Some delegates drove to the Jenolan Caves</p>	<p><b>Other Comments</b>  Rained much of time, but lifted for Tuesday afternoon recreational activities and a nice hot Wednesday morning. Spectacular views for the Carrington Hotel of storm activity over Cumberland Plane.  Dr Summerfield stood down as Secretary of ANZIAM, and there was no nomination for the position on the new Executive. Prof Bassom volunteered to take the position.</p>
